We Are Amplifying Latino Excellence. Join Us.

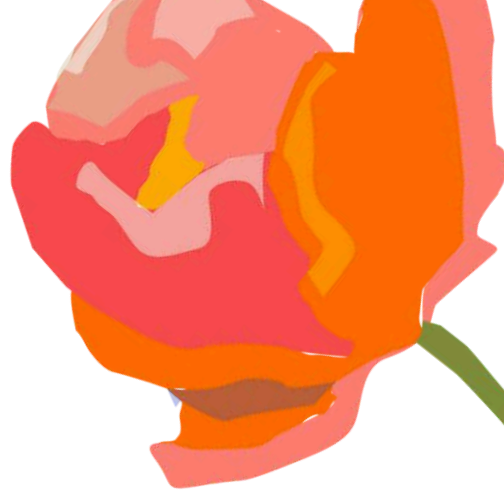

The ALX100 is a signature program of We Are ALX. It recognizes exceptional Latino American leaders who have demonstrated excellence and have made significant contributions in their respective fields and communities. From unsung heroes to civic leaders to business trailblazers, we celebrate 100 of the brightest Latino changemakers from across Massachusetts.

This year, the ALX100 cohort will be announced in the Hispanic Heritage Month issue of the **Boston Globe Magazine** and the CELEBRATION kicks off a seven-month long campaign honoring excellence and inspiring the next generation of leaders in our communities.

Be a part of the ALX100 Celebration!

October 17, 2025 at JFK Library, 7 - 11 P.M.

A Living Tribute to Latino Community

Last year We Are ALX commissioned a one-of-a-kind sculpture by ALX100 alumni and artist Patiño Vazquez. This historic traveling exhibition celebrates Latino excellence - It is a symbolic piece that represents unity and shared achievement. The exhibit will be showcased for seven months in Massachusetts' most iconic cultural institutions before each honoree receives a personalized piece of the sculpture - a lasting reminder of their contributions and legacy.

[Ask us how you may bring the sculpture to your location by emailing ALX100@wearealx.org.](mailto:ALX100@wearealx.org)
